Dear Western Weights and Measures Association Members, Colleagues and Friends:

It is our pleasure to welcome you to Golden, Colorado for the 64th Western Weights and Measures Association Annual meeting September 26-30, 2021. The meeting will be held at The Golden Hotel. <https://www.thegoldenhotel.com/>

The hotel is located in Historic downtown Golden, along the banks of Clear Creek near the foothills of the Rocky Mountains. During your visit to Golden, enjoy excellent [outdoor recreation](#), [cultural attractions](#), local charm, and the [Coors Brewery](#), the largest single-site brewery in the world. Golden is located less than an hour's drive from the Denver International Airport.

Our host for this year's event is Mahesh Albuquerque, Division Director for the Colorado Division of Oil & Public Safety. Mahesh has arranged a wonderful venue for our conference sessions and is planning a dinner outing on Tuesday evening that will allow opportunities for everyone to network and enjoy the evening.

Our mission continues to focus on developing consensus-based standards, specifications, and tolerance for commercial measuring devices as well model laws and training standards for weights and measures programs in general. In addition to the open hearings and committee work sessions this year the conference will again feature a variety of training presentations including a field demo of EVSE for EV charging stations. A training schedule is being developed and will soon be posted on the WWMA website. Be assured that there will continue to be opportunities for everyone to network and enjoy the surroundings throughout the week. For further details including conference registration and hotel accommodations please visit the WWMA website at <http://www.westernwma.org/conference/annual>

Registration

Online registration for the conference is available on the WWMA website. <https://westernwma.org/> The registration fee is \$350.

Hotel Accommodations and Rates

A small block of sleeping rooms has been reserved at the government rate of \$195 per night, plus state and local taxes. **Please make your reservations as early as possible.** Reservations will be accepted through August 26, 2021; reservations made after that date will be subject to room and date availability. **Attendees should contact the hotel at 303-279-0100 and must specify the "Western Weights and Measures Association Meeting" when making reservations.**

Airport Transportation

Golden is serviced by the Denver International Airport (DIA), located about 36 miles from the hotel. The Airport website: <http://flydenver.com/>

Visitors to Golden can travel from Denver and DIA to Golden via the West Rail Line or "W" line. The West Rail Line between Golden and Denver Union Station passes through 3 fare zones. Please access RTD's fare and passes page by clicking on [RTD's Fares & Passes link](#).

Taxis, Lyft and Uber are available at the airport as well as at the light rail terminus in Golden.

All rental car companies at DIA are located on airport property but are away from the main terminal. Each rental company provides a courtesy shuttle to and from the main terminal to its location. The hotel does not offer shuttle service however, there are many independent shuttle service companies at the airport.

Accommodations will be made to attend this meeting virtually for those unable to attend in person, due to budget or covid restrictions.

I urge you to mark your calendar and register to attend the 2021 WWMA Technical Conference. We look forward to seeing you in Golden.

Sincerely,

Scott Simmons
WWMA President
